All the essentials you need for simulation management

The screenshot displays the CAE LearningSpace Essentials interface. It features a central area with four large HD windows showing simulation scenarios: three cameras of an exam room and a patient simulator's vital signs. On the right, there's an 'Annotations' panel with a list of events like '5 minutes remaining' and 'Prepare injection'. Below that is a 'Simulator' control panel with buttons for 'Room', 'Instructor', and 'Upper body MRI Scan'. A '3-way intercom' button is also visible. Red lines connect text labels to specific interface elements.
